

Payment

It is of great importance that your purchase is smooth, convenient and most of all secure. Google Checkout and PayPal meet all of these requirements and are Globally recognized.

PayPal and Google understand that you do not want to waste time filling out unnecessary information. You won't need to go through pages of forms to complete your purchase.

If you already have an account it takes seconds to complete a purchase.

We are delighted to offer a simple, secure and quick method of payment to our customers
